Subject: DAPL

My name is John Mulligan, The reason I am writing you is inform you that I STAND WITH STANDING ROCK.! Please stop all construction of the Dakota Access Pipeline. The whole world is watching dogs being set on Peacefully Protesting Native Americans and it's a disgrace to America. And a stain on North Dakota. Enough has been taken from the First Peoples. I am contacting everyone in the Governor's office in hopes that it puts more pressure to end the Stand off Now, No DAPL John Mulligan, Perkasic, PA 18944
