I requested Earl to contact Tom Schwarten to see if NSP would evaluate the request with the Governor's Office.

Sirs,

Please see the EMAC request from North Dakota below. They are requesting 40 LEOs to assist with a pipeline protest ("civil unrest"). I just received a call from their POC, Geneva, asking if Nebraska would be able to at least partially fill this request for 40 LEOs.

Because of all the EMAC traffic related to Hurricane Matthew, this one slipped under the radar—which is why Geneva is following up with phone calls to nearby states.

If this request is something the State would like to move forward on, please let me know and we can start the appropriate paper trail. If you have any questions or concerns, please don't hesitate to contact me, or Geneva (her contact info is in the EMAC request).

Thank you.
