Disclaimer:

Although every effort has been made to ensure the accuracy of this map there may be errors or there may be changes since this map was produced.

It is your responsibility to make sure you are on public lands and that those lands are open for the purposes of hunting, gathering, trapping, or travel.

Not all lands shown in white are necessarily closed, but permission from the landowner(s) should be obtained before accessing the property.

This map shows NO Fond du Lac "private allotments". These are allotment lands in which the Band itself has no ownership interests. There are approximately 780 acres of private allotments. Permission to access this land must be obtained from an allottee.
