February 2008: Members of the Chatsworth Skinheads, Brian Green, **Gunner Stine** and Jacob (Jake) Simon Gurfinkiel, were arrested for their alleged involvement in the stabbing of an African-American on February 20, 2008, in Canoga Park. The perpetrators were allegedly drinking in the Chatsworth area just prior to the incident. The victim was walking with another Caucasian male, who was reportedly called a nigger lover by the group and told to leave. The victim was allegedly struck two times with the knife into his side, puncturing his lung. The

perpetrators were each charged with attempted murder, assault with a deadly weapon, hate crimes, and gang enhancement.

Dear Fox News, April _____, 2014

For too long a grave injustice has been done, and it is time for the world to end their silence that allows this to continue. On April 26, 2004 Matthew Hale was convicted of the fraudulent charge of conspiracy to commit murder. The target was allegedly Federal Judge Joan LeRoy, who had previously ruled against the World Church of the Creator in a trademark case.

Matthew Hale was the leader of the former World Church of the Creator, and was an adamant speaker for the rights of white Americans, because of this he was very controversial. Many believed that his voice should be silenced, and his arrest was to accomplish just that. Now for more than 10 years the world has remained silent, but enough is enough, it is time for this wrong to be made right. We mail this in mass numbers in hopes that our voice will be heard. For it will no longer be silenced by the opponents of our beliefs. We will spread the message and gain support in the demand for an appeal for Matthew Hale, and his release to freedom decided by a jury of his peers.

Sincerely yours,
 Acquisitas Equitas

This is safe and easy activism, you don't even have to leave your home. Simply sign the name that is typed in the signature line, date it, put a stamp on it and mail the letter out. No return address. What we need is lots of postal marks from lots of different areas of the nation and world. (Please do not sign your name. There is a secondary message in the name.)

The more letters we get out the more of a voice we will have, and the more attention will be paid to our cause.

Intro reads "A Righteous Aryan Warrior serving YAHWEH my Father & securing a future for White Children everywhere."; pictured wielding Thor's Hammer; has Othala Rune tattoo on arm; has wolfsangel tattoo on arm; has Iron Cross tattoo on arm; posts a lot of white supremacist

propaganda and “black against white” conspiracy violence theories; sometimes referred to by followers as a “Noble Soul”

[Julian Calfy](#)

Calling all straight edge Aryan men and women who are animal lovers, herbalists, nature lovers, vegans, raw food dieters (frUITitarians), vegetarians, paleo dieters, outdoorsmen, survivalists, preppers, self sufficient livers, and/or traditionalists. If you are any or all of those things you may find our group to be of interest to you. We aim to reunite with our roots while living for the betterment of our race. We are a non religious group (we accept Pro white Christians, Wotanists and Creators without regard for beliefs as long as everybody is respectful) and are for returning to a simpler less materialistic/Marxist driven life. If that all sounds up your alley then check out the group Aryan Whites for a Return to Nordic Roots here on Facebook. We can't wait to have you. Hail victory my racial family.

[Julian Calfy](#)

[April 29](#)

Clarification: You don't have to understand my beliefs, you don't have to agree with me and you don't have to like it. I am a proud straight White Christian male. I am an Aryan. Not only am I an Aryan but I am an ARYAN WARRIOR. I will fight for my people and I will DIE for my people if it's required of me. My God (YAHWEH Elohim, the one true God of the Bible) states very clearly who I am and who my race is (Deut. 7:6, 1 Peter 2:9, etc.). I don't particularly care if you like what I have to say, cause I'm doing God's work preaching His WORD, but don't open your mouth to say some hateful bullspit about me or to me and call me closedminded and bigoted when you won't actually listen to what I have to say. The Truth fears no investigation so if I'm wrong I'm wrong and it didn't hurt you to find out I'm wrong, but if I'm right then you had better check it out real hard cause then it does hurt you to turn your back on it. All I'm saying is don't talk trash if you can't hold your own in a debate and refuse to see my side.
