Reference: 100A-MP-69520 Serial 16, 32

Details: As documented in referenced serials and summarized below, [redacted] the FBI and other law enforcement agencies have developed information and background on the following groups who appear to be interconnected in various ways: REPUBLICAN NATIONAL CONVENTION WELCOMING COMMITTEE (RNCWC), UNCONVENTIONAL ACTION (UA) and the WILD ROSE REBELLION (WRR). UA appears to be providing information and resources to people planning the disruption of both the Democratic National Convention (DNC) and the Republican National Convention (RNC), which are set for 08/25/2008 - 08/28/2008 and 09/01/2008-09/04/2008, respectively.

ANALYST COMMENT: As taken from the RNCWC Internet website: <http://www.rncwelcomingcommittee.org> under the webpage titled, "Who We Are/Points of Unity" the RNCWC is described as follows:

"The RNC Welcoming Committee is an anarchist/anti-authoritarian organizing body formed to prepare for the 2008 Republican National Convention in St. Paul, Minnesota. The RNC-WC, composed primarily of Twin Cities-based anarchists and anti-authoritarians, will function as an informational clearinghouse and organize a spokescouncil for RNC resistance. We will coordinate logistics (food, housing, transportation), and engage in education and outreach. Without falling prey to centralized, hierarchical tendencies that have dominated such convergences in the past, we hope that the RNC-WC will maintain a unified, anti-authoritarian presence at the 2008 RNC. Our numbers are huge, and it's time that our actions reflected that."

ANALYST COMMENT: The term "Unconventional Action" may be used both to describe a particular group of individuals working toward a common goal in a specific community and a wider movement of otherwise un-associated individuals and groups also working toward a common goal. The Internet website <http://www.unconventionalaction.org> provides the following explanation of the movement's purpose:
What is Unconventional Action?

Unconventional Action is an emerging network aiming to complement the work of local organizers in Denver and the Twin Cities with regional organizing throughout the rest of the country. Our goal is to build a horizontal, inclusive framework for protests that will disrupt the upcoming Democratic and Republican National Conventions. We are currently organizing meetings, propaganda, and consultas in our communities and encourage those in other regions to do the same.

ANALYST COMMENT: The Internet website <http://www.unconventionalaction.org> provides the following "Points of Unity" to describe acceptable adoption of the term Unconventional Action by like-minded individuals and/or groups:

- The name Unconventional Action is available to all who:
- Reject all forms of hierarchy including capitalism, party communism, patriarchy, white supremacy, colonialism, and so-called representational politics.
 - Organize on a non-hierarchical, consensus-basis that promotes autonomy, solidarity, grass-roots involvement, and the agency of those most affected by each decision.
 - Embrace a diversity of tactics
 - Do not condemn any action on the grounds that it is illegal alone. (Emphasis added.)

ANALYST NOTE: The above description of Unconventional Action "Points of Unity" are also posted on the webpages of the social networking service MySpace of both Unconventional Action - MN (MySpace # [REDACTED]) and Unconventional Action Denver (MySpace # [REDACTED]).

Also of note, in early September of 2006 numerous areas of spray painted graffiti were identified on various commercial/retail buildings in the Iowa City area along with some buildings associated with the University of Iowa. The graffiti was done using black and red spray paint. Some of the graffiti contained a silhouette image of a person in a trench-coat and a fedora with either the initials, "C.I.A.", "N.S.A." or "F.B.I." next to the silhouette. Photographs of this graffiti are maintained by Omaha Division.

Analyst Comment: Membership in anarchist "groups" is not exclusive. UNCONVENTIONAL ACTION, RNC WELCOMING COMMITTEE, and CRIMETHINC are three separate groups, each with their own web site and contact email addresses. Individuals and sub-groups associated with them vacillate between identifying with either one at any given time. This non-traditional approach to group membership makes it convenient for individuals to deny association with the group whenever necessary.

A google search of the Internet identified a posting on 03/14/2008 to the RNCWC website at: <http://www.rncwelcomingcommittee.org> titled, "RNC WELCOMING COMMITTEE ORDERS TASERS FOR EVERY PROTESTOR". This posting describes the RNCWC ordered the tasers after learning of the approval by the St. Paul City Council for the St. Paul Police Department (SPPD) request for 234 tasers. These tasers along with those reportedly ordered by the RNCWC were scheduled to be in hand prior to the RNC.

Hickory Hill Park

This map was produced by the Friends of Hickory Hill Park, a non-profit, volunteer organization committed to the preservation, improvement, and expansion of the park as a natural area and urban sanctuary. To find out more about our work visit us at www.hickoryhillpark.org

Stand in any open field in Hickory Hill Park and look around. What do you see?

Where does park land end and private land begin? Where there are homes and cornfields, the boundary seems clear. Now, stand amid the open fields in the northern half of the park and look to the northwest. Uphill, you see dense woodland. But much of what you see is not park property. With this in mind the Friends of Hickory Hill Park has been working with neighboring property owners on options to preserve natural land for the benefit of the park.

In spring 2007, park neighbors Willa Dickens and Patricia Edberg offered Friends an opportunity to permanently preserve nearly 20 acres of land directly adjacent to the park (see map for location south of Dodge Street and east of Condin Lane). Patricia Edberg plans to will her 4-acre property to the Johnson County Heritage Trust (JCHT). Friends of Hickory Hill Park (FHHP) will assist JCHT with the longterm management and restoration of the Edberg property as a bird sanctuary. Just to the east of the Edberg property, is the Willa Dickens property, 16 acres of sensitive environmental land. The Dickens property is mostly wooded with several open areas and one low wetland area, which was historically used by the Czech community in Goosetown to harvest ice (a portion of the ice dam still exists).

Taken together the Dickens and Edberg properties afford an invaluable opportunity to protect and expand the view from the park. FHHP will raise funds to purchase the Dickens land to be held in trust by the JCHT. By holding the land in a private trust, we preserve our opportunities for grants to assist with restoration of both properties.

Join us in our effort and help determine the future of the park.

Friends of Hickory Hill Park is asking its members and the broader community to help preserve and restore an essential viewscape for the park. Our goal is to raise \$160,000 for land purchase with an additional \$40,000 to provide a fund for land management and restoration for both conservation properties as well as our restoration work within the park. All land purchased will be held by Johnson County Heritage Trust but will be accessible to park users.

FHHP has already raised \$50,000 toward the land purchase. Of this, \$20,000 is designated as a challenge grant, so every dollar you give is matched. This is a unique opportunity to determine the future of Hickory Hill Park, an opportunity we cannot afford to lose. Please join us in our effort to establish the Dickens-Edberg Preserve.

For information about Friends of Hickory Hill Park and the work we do to conserve and improve the park as a natural area, please visit our website:

www.hickoryhillpark.org

FRIENDS OF HICKORY HILL PARK

The mission of Friends of Hickory Hill Park is to permanently protect and preserve the Park's unique qualities as urban park land. Hickory Hill's woodlands, fields, and waterways provide habitat for a variety of wildlife and offer the public an opportunity to enjoy wildlife within the city.

Since its founding in 1999, FHHP has worked with school groups, Boy Scouts and Girl Scouts, and local environmental and community organizations to improve access to the park and to enhance and restore its natural features. In recognition of our efforts the Johnson County Heritage Trust awarded FHHP with its prestigious Conservationist of the Year award for 2003.
