Already done. They sent a bulletin to CAGE to make them aware. Thanks.

In my humble opinion, you might consider making the FBI aware of this activity along with DCI Intel. AIM is an organization that promotes overthrowing the US government. We just had a speaker here at the NA about 2 weeks ago that specifically discussed AIM and other white supremacist groups.

Good luck, hopefully that will be their only appearance.

Take care and hope things are going well for you and all of the officers.

All

During the parade today a group called the "American Identity Movement," a neo-nazi type group, drove onto Bank of the West's upper parking level and displayed a banner that was anti-immigrant in nature. The banner also had colored smoke emitting from it. The group then rolled up the banner and left. Video of this event has already been posted on this group's website. I noted the incident on webeoc and P28 wrote a report on it. Please be aware for the rest of CFD and document any contact we have with this group and forward it to CAGE, and take appropriate enforcement action. Thanks.
