Case No. _____

**AFFIDAVIT IN SUPPORT OF
AN APPLICATION FOR A SEARCH WARRANT**

I, David B. Brown, being duly sworn, state as follows:

INTRODUCTION AND AGENT BACKGROUND

1. On June 1, 2020 a search warrant was issued by Magistrate Judge Jonathan Hawley for the residence located at **redacted**, Galesburg, Illinois, 61401, all appurtenances thereto and improvements thereon, and all vehicles on-site. That search warrant, application and, affidavit are attached as Exhibit 1 and its contents are incorporated herein for the purpose of establishing probable cause. *See* Exhibit 1.
2. During the execution of the search warrant, agents located, in plain sight, marijuana in glass jars on a dining room table, a large stack of United States Currency secured with a rubber band beside glass jars containing a green vegetation (suspected to be marijuana) on the dining room table, a black Glock 19 handgun lying on the couch in the living room, a cardboard box containing THC vaporizers in the downstairs bedroom, a rifle against the wall in the upstairs South/West bedroom, a large marijuana grow downstairs in the basement containing numerous marijuana plants, and a large vacuum sealed bag containing suspected marijuana in the stairwell.

3. Also located at the residence was Kristi [redacted], Linda [redacted] [redacted], Sierra [redacted], and Kristopher [redacted]. While speaking with agents Linda [redacted] and Sierra [redacted] advised the marijuana belonged to Matthew Rupert DOB 5/14/1992. While conducting the search warrant a subject Jordan [redacted] [redacted] arrived on scene. Jordan [redacted] advised agents the Glock 19 located on the couch and the marijuana in the house, to include the marijuana grow belonged to him.
4. Matthew Rupert (**Subject 1**) and Christopher Rupert (**Subject 2**) are both convicted felons and are not legally allowed to possess or own firearms.
5. The information in this affidavit is based on my personal knowledge, and on information I have received from other law enforcement personnel and from persons with knowledge regarding relevant facts. Because this affidavit is being submitted for the limited purpose of securing a search warrant, I have not included each and every fact known to me concerning this investigation. I have set forth facts that I believe are sufficient to establish probable cause to believe that evidence and instrumentalities of a violation of Title 18, United States Code, Sections 922(g)(1), 924(c), and Title 21, United States Code, Sections 841(a)(1) and 841(b)(1)(D), are located within the **Subjects' Residence**.
6. During my law enforcement career, I have been involved in the controlled purchase of narcotics, the management and debriefing of confidential informants, the tracing of drug proceeds and the acquisition and execution of numerous search warrants. As a result, I have arrested numerous individuals for violating both state and federal statutes with regard to the possession, manufacture and sale of controlled substances. I have also received formal training through the Federal Bureau of Investigation, Saint Louis City (Missouri) Police Department, among others and have attended numerous seminars and conferences regarding the distribution of controlled

substances and the laundering of drug proceeds. Based on this training and experience I know that:

- a) Large scale drug traffickers often purchase and/or title significant assets in fictitious names, aliases, or the names of relatives and associates or business entities, in order to avoid law enforcement detection of these assets and attribution of the assets to the proceeds of unlawful activity;
- b) Despite the foregoing, narcotics traffickers actually own and exercise control and dominion over them;
- c) Large scale traffickers usually maintain large amounts of U.S. currency on hand and readily available in order to maintain and finance their unlawful activities;
- d) It is common for narcotics traffickers to maintain books, records, receipts, notes, ledgers, travel documents, receipts relating to the purchase of financial instruments and/or transportation, ordering, sale and distribution of controlled substances. Such records are usually kept where the traffickers have ready access to them, and they are often kept for extended periods of time;
- e) It is common for large scale traffickers to secrete contraband, proceeds from contraband sales and records of transactions in secure locations within their residences, businesses, and/or locations over which they maintain dominion and control in order to have ready access to them and to conceal them from law enforcement authorities;
- f) In order to accomplish this concealment, traffickers often construct hidden "stash" places within locations where they maintain dominion and control. A number of publications are available to the general public that contain instructions on how and where to construct such stash places and in my experience such publications have been found in the residences of drug traffickers by law enforcement officers executing search warrants;
- g) It is common for large scale drug traffickers to maintain evidence regarding their obtaining, secreting, transfer, concealment, and/or expenditure of narcotics proceeds, including currency, financial records, financial instruments, jewelry and precious metals, books, records, invoices, receipts, records of real estate transactions, bank statements and related records, passbooks, safe-deposit box keys, money drafts, letters of credit, money orders, bank drafts, cashier's checks, bank checks, and money wrappers. These items are often maintained in trafficker's residences and other

locations over which they exercise dominion and control, and they are often maintained for an extended period of time;

- h) Large scale traffickers often use electronic equipment, including computers, pagers, cellular telephones, electronic diaries, fax machines, currency counting machines and telephone answering machines to generate, transfer, count, record and/or store information pertaining to the items described above and/or to maintain contact with drug associates;
- i) When drug traffickers amass significant proceeds from the sale and distribution of narcotics they often attempt to dissociate their assets from the source of their illegal activities through various money laundering activities. To accomplish these goals, drug traffickers use various means, including but not limited to domestic and international banks and their associated financial services, securities brokers, professional services from attorneys, accountants and financial consultants, casinos, real estate, shell corporations and business fronts and otherwise legitimate businesses which generate large quantities of currency;
- j) Drug traffickers commonly maintain addresses or telephone numbers in books, papers and/or cellular telephone memory cards which reflect names, addresses, and/or telephone numbers or associates and customers;
- k) Drug traffickers often take or cause to be taken photographs and other visual depictions of themselves, their associates, their property, and their product, and typically keep and maintain these photographs for extended time periods in their residences and other locations where they exercise dominion and control;
- l) Drug traffickers commonly have in their possession and at their residences and other locations where they exercise dominion and control firearms and ammunition, including but not limited to handguns, pistols revolvers, shotguns, machine guns and other weapons, as well as records or receipts relating to firearms and ammunition. These records are often kept for extended periods of time.

LOCATIONS TO BE SEARCHED

7. This affiant is requesting a supplemental search warrant for **Subject 1** and **Subject 2's** residence located at

Subjects' Residence- redacted Galesburg, Illinois, 61401.

- a. The **Subjects' Residence** is described as a single residence two-story building. A garage possibly attached to the residence is located on the property. The driveway is north of the residence. The exterior of the house is white and has a white porch fence with the numbers "██████" clearly displayed to the left of the front door. The front door face eastbound and appears to have a screen door attached.

CONCLUSION

8. Based on the above information, I respectfully submit that there is probable cause to believe that offenses, in violation of Title 18, United States Code, Section 922(g)(1), 924(c), and Title 21, United States Code, Sections 841(a)(1) and 841(b)(1)(D) have been committed, and that evidence and instrumentalities relating to this criminal conduct, as further described in Attachment B, will be found in the **Subjects' Residence**. INTRODUCTION AND AGENT BACKGROUND

1. I am a Special Agent with the Federal Bureau of Investigation. I have been so employed since approximately March of 2019. Prior to the Federal Bureau of Investigation, I was employed as a Police Officer in the Saint Louis Missouri area for approximately ten years; four of which I served as a Detective.
2. As part of my duties as an FBI Special Agent, I investigate criminal violations. I have participated in the execution of multiple federal search warrants.
3. This affidavit is made in support of an application for a search warrant of the residence of Matthew Rupert (**Subject 1**) and Christopher Rupert (**Subject 2**) located at **redacted** Galesburg Illinois, 61401 (**Subjects' Residence**), for information described further in Attachment B, concerning travel in interstate commerce or use of any facility of interstate commerce, to organize, promote, encourage, participate in, or carry on a riot, in violation of Title 18, United States Code, Section 2101, and interfering with any law enforcement officer lawfully engaged in the lawful performance of his official duties incident to and during the commission of a civil disorder which

in any way or degree obstructs, delays, or adversely affects commerce, in violation of Title 18, United States Code, Section 231(a)(3) (the “**Subject Offenses**”).

4. The information in this affidavit is based on my personal knowledge, and on information I have received from other law enforcement personnel and from persons with knowledge regarding relevant facts. Because this affidavit is being submitted for the limited purpose of securing a search warrant, I have not included each and every fact known to me concerning this investigation. I have set forth facts that I believe are sufficient to establish probable cause to believe that evidence and instrumentalities of a violation of Title 18, United States Code, Sections 231(a)(3) and 2101, are located within the **Subjects’ Residence**.
5. Title 18, United States Code, Section 231(a)(3) provides, “[w]hoever commits or attempts to commit any act to obstruct, impede, or interfere with any fireman or law enforcement officer lawfully engaged in the lawful performance of his official duties incident to and during the commission of a civil disorder which in any way or degree obstructs, delays, or adversely affects commerce or the movement of any article or commodity in commerce or the conduct or performance of any federally protected function” shall be guilty of a federal offense.

FACTS SUPPORTING PROBABLE CAUSE TO SEARCH THE SUBJECTS'
RESIDENCE

I. Background of Investigation

7. On May 31, 2020, **Subject 1** and **Subject 2** were arrested with three other individuals, to include **Subject 1's** live in girlfriend (referred to as **Witness 1**) in Chicago, Illinois relative to violating Chicago's mandated curfew hours. During **Subject 1's** arrest, destructive devices were located in his possession and within his control.
8. I have reviewed the Facebook Account bearing display name "El Ricco Rupert" with username "ricco.rupert.75" and user ID 100048401743589 (the "Facebook Account"). I believe that this account is operated by Matthew Rupert (**Subject 1**), a resident of Galesburg, Illinois.
9. On or about May 29, 2020, **Subject 1** posted videos on his Facebook account, during which he indicated that he was in Minneapolis. One video posted that day, showed **Subject 1** and **Subject 2** attending the public protest and riot in Minneapolis, Minnesota regarding the May 25, 2020 death of George Floyd. The video depicted **Subject 1** talking about having explosives and offering the explosives to other people to throw at law enforcement officers. In the video, **Subject 1** is visible wearing white shoes with red tips.
10. In the video time stamped May 29 at 7:54 pm, **Subject 1** stated, "SWAT trucks up here. They got SWAT trucks up here." He then stated "I got some bombs" if some of you all want to "throw them back...bomb them back...here I got some more...light it and throw it." While **Subject 1** was making these statements, it appears that **Subject 1** was recording himself while holding the phone and handing what appears to be a green item with a brown casing and a wick to other people. **Subject 1** also stated, "Light that bitch and throw it at them." In the video, another unknown male lit an explosive and threw it towards law enforcement officers. **Subject 1** also stated, "[h]e's throwing my bombs," "[t]hey're going to bomb the police with them," and "[w]e came to riot

boy.” Shortly there after, an explosion is audible in the video and **Subject 1** repeatedly yelled “Good shot my boy” and “Fuck 12” at law enforcement.

11. **Subject 1** continued the recording and indicated he was shot with a rubber bullet. In the video, he is later heard telling others he is collecting the rubber bullet, and that he is going to keep it.
12. **Subject 1** continued the recording and as he arrives to a Sprint cellphone store, he yells, “Come on they got into the Sprint store”. **Subject 1** entered the store and begins knocking items down. **Subject 1** located a safe inside of the business. While inside the business **Subject 1** stated, “Should we torch it?” Later in the video, **Subject 1** shows a can of Zippo lighter fluid to the camera and instructs an individual with him to light the pile of items on fire. **Subject 1** runs out of the business and yells, “We lit it on fire...I lit it on fire.”
13. **Subject 1** continued the recording and entered into a closed Office Depot with multiple people. The video shows **Subject 1**, along with others, stealing items, placing them inside a bag while on video. **Subject 1** stole multiple items from inside the business and yelled the following statements, “Yeah we need a shoe store.” “We gotta go. They probably hitting better stores.” **Subject 1** temporarily placed his phone in his pocket. While the video is obscured, **Subject 1 can be heard yelling to others to grab a shopping cart..** A shopping cart can be heard and **Subject 1** advised the others he is with to put their stolen items in the cart. The cart is heard moving.
14. In another video, timestamped May 29 at 10:20 pm, **Subject 1** is pushing a cart containing multiple items that appear to be stolen from Office Depot. In the video, **Subject 1** states he is headed to his vehicle.
15. In another video posted on May 30 at 1:58 am **Subject 1** is inside his vehicle and is pulled over the side of the road for a traffic stop. Police vehicle lights can be seen behind his vehicle. **Subject**

1 states they were pulled over on the way home and tells the other occupants of the car that if police ask about items inside his car, he will just say they purchased it from someone on the street.

16. Periodically throughout **Subject 1**'s video posted on May 30, **Subject 2** is visible.

17. A National Crime Information Center (NCIC) inquiry revealed **Subject 1** was stopped in Goodhue County Minnesota. Contact made by this affiant to the Goodhue County Sheriff's Department confirmed **Subject 1** was stopped for speeding and cited. This affiant made contact with the Deputy who conducted the stop. The Goodhue County Deputy said that **Subject 1**, advised him during the course of the traffic stop, that **Subject 1** was headed home.

18. On May 31, 2020, **Witness 1** informed Special Agents with the Federal Bureau of Investigation that **Subject 1** traveled with others (but not **Witness 1**) to Minneapolis in order to "riot." According to **Witness 1**, **Subject 1** and **Subject 2** returned to the **Subjects' Residence** after posting the May 29, 2020 videos of **Subject 1** and **Subject 2** in Minneapolis, Minnesota. The **Subjects** then proceeded from the **Subjects' Residence** apparently en route to Chicago.

19. On or about May 30, 2020, at approximately 9:00 p.m., **Subject 1** made a post on the Facebook Account in which he stated, "Lady's [sic] and gentlemen, let me take that back only goons let's go to davenport tonight and riot this mf!!! 23. In one of the Facebook videos posted by **Subject 1**, your affiant observed the car **Subject 1** used to travel to Minneapolis, Minnesota. The car seen in the video is a red/maroon Chrysler 300 with black wheels.
