Reopen The Great State Of Minnesota Now!

29 have signed. Let's get to 100!

Emily Hartigan-Stein started this petition to President Donald J. Trump and 2 others

Mr. President,

We the People of Minnesota have had enough with the radical left threatening us and taking more and more of our freedoms away everyday so I am writing you today to tell you the People of the Great State of Minnesota will not sit idly by any longer. Governor Walz has extended our stay at home order till the 4th of May and we know this is uncalled for due to the fact that we are one of the least effected

states in the nation, but Governor Walz is determined to continue his radical agenda and frightening the public. On top of that our Secretary of State Steve Simon is pushing for mail only voting for the November election and we believe he is deliberately trying to steal the election in Minnesota. We have had enough of the petty politics and unconstitutional actions made by the Governor Walz and his lawless administration and we are asking for your assistance. We will not stand for this anymore and we believe the time to act is now so we can save the last freedoms we have before they are ripped away forever. We MUST reopen our state and get back to normal. Even if it's a gradual reopening we must start now before there is no turning back. I like many other Minnesotan's have lost their jobs during this crisis and we will not stand by while the radical left plays games with our constitutional rights and our futures. We are one Nation Under God and we will stop at nothing to Keep Minnesota Safe, Strong, and United.
