Sgt- We were doing surveillance on this guy during the riots, they were staying up at a north side address and were contracted to do armed security at the So Lo grocery off Lowry. I see what I have on him.

There is video of a male who identifies himself as Benjamin Ryan Teeter while speaking to Unicorn Riot. He states he is a member of the MN Boogaloo Boyz and is willing to shoot at cops. He is riding around with another male in a dark colored SUV with no license plates. I attached a photo of the vehicle and a video of him speaking to Unicorn Riot.

Morning Craig,

I chatted with Hoff this morning about the possibility of him having the intel and not sharing or DIB'ing it. He didn't know the main part of your reveal (that these guys were moving around our Weds riot poised in the rear of an unlicensed SUV with a flak jacket and rifle, likely shooting it off)

Hoff thanks you for your intel and hopes that kind of quality info is always shared through the SIC. Somewhat related - for future actions, I think the crossed wires are with Schoenburger and me as it relates to MPD and other police personnel working within an active demonstration, protest or riot event. I'll work on that.

Great work all week last week. I hope you have some off-time planned for this weekend. I'm predicting the Sept 11th and Sept 18th weekend will tax our staff pretty hard.
