**HE IS ME -- JUNE 7, 2022 -- TRANSCRIPT/LYRICS**

He is Me, He is You

I'm gonna need you to close your eyes full a judgment  
and picture this

He is me, he is you

Reach deep down inside

He is me, he is you

He is me, he is you

Value human lives

He is me, he is you

Come on reach deep inside (repeat 2x)

He could a been your brother

He could a been your cousin

He could a been your father

What if he was your son?

Would you care enough then?

Can he get Petito coverage?

Oooohhh Naaaw

Criminal Justice for who?

**HE IS ME -- JUNE 7, 2022 -- TRANSCRIPT/LYRICS**

Can you tell me who?

Where's his lifetime movie?

Can he get included too?

In a world they will do

Justice by you

He is me, he is you

Reach deep down inside

He is me, he is you

He is me, he is you

Value human lives

He is me, he is you

Have you ever had the police ignore your cries

when a loved one dies?

Desensitized

Until it's Fb live

"We miss you Ricky"

"I miss you daddy"

"Love you baby"

In Loving memory Ricky Balsimo
