

“Without Mercy”

Gypsy/Traveler Crime and the Elderly

Southern California has been a target of criminal Gypsies and Travelers for decades. It's no longer a matter of "if" your town will be hit, but "WHEN."

The Gryphon Training Group in association with the Carlsbad Police Department is presenting an insightful two (2) day seminar on Criminal Gypsies/Travelers and the Elderly.

The Gryphon Training Group is dedicated to assisting law enforcement and other first responders through the education and training of officers, detectives, investigators, APS workers, Ombudsman and prosecutors. Con games and scams cost the citizens of this country, an amazing \$20 billion dollars every year and these transient career criminals are believed to be responsible for an overwhelming number of these crimes. THE GRYPHON TRAINING GROUP

CRIMINAL GYPSIES AND TRAVELERS

The Gryphon Training Group was formed with the purpose of educating law enforcement and its support entities in the ways of the criminal element of the Traveler and Gypsy communities.

We have become the pre-eminent trainers in the field. Our classes have been certified at the state level in California, Oregon, Washington State, Arizona and Texas. We have spoken in many other jurisdictions and at many other training classes of the RISS projects as well. Our seminars have, in many cases, solved cases right in the classroom, where we made identifications off surveillance stills or video tape /DVDs. We have assisted the Federal authorities in making some of their investigations resulting in indictments and arrests. Our instructors are nationally and judicially recognized experts. We will bring you the latest trends of these career predators.

Our attendees leave after 2 days saying; I had no idea this was going on in America in the 21st century. That's the way these criminals want it, so they fade into the background and become "The Silent Violence."
