

**Without Mercy  
Criminal Gypsies/Travelers And the Elderly**

**INVADED!!**

The criminal element of the gypsy and traveler communities has invaded every major metropolitan area in the U.S. and our friends north of the border as well. These career criminals are responsible for an incredible \$17 billion in thefts every year and senior citizens bear the brunt of this. These predators must be stopped and we must protect our elders.

***It's no longer a matter of "if" you'll be hit, but "when"!***

**This is an extremely popular and timely class. We anticipate it will sell out.**

The National Association of Bunco Investigators, in cooperation with the Chatham County District Attorney's Office is presenting an insightful two-day seminar on Criminal Gypsies/Travelers and the Elderly.

We are dedicated to assisting and training law enforcement and all of the first responders and its support groups, by showing them how these predators work. Con games and scams cost the citizens of the U.S. an amazing \$22 billion every year and these people are responsible for a vast majority of it. We have developed a database of over 4,000 of these suspects which continues to be a source for all law enforcement in this ongoing battle.

**The two day course topics will include:** In depth looks at: Gypsy and Traveler Crime as "Non-Traditional Organized Crime," Identification of the Groups; The Roma, The Polish, The Yugoslavians, The Travelers, the new group known as The Romanian Nationals. Also an overview of crimes against the elderly such as Impostor/Ruse Entry Burglary, Till Taps, Fortune Telling, Sweetheart Swindles, Store Diversions, Scrap Metal Theft, Paving Cons, Grandchild in Distress Scam and many more.

Handouts will be numerous.
