AFFIDAVIT

Personally appeared the undersigned prosecutor, **Ryan Long** who, on oath, says that, to the best of the prosecutor's knowledge and belief, the above named accused, between **3/5/2023 2:00:00PM** and **3/5/2023 8:00:00PM** at **1327 Key Rd, ATLANTA, GA, 30316**, **DEKALB**, COUNTY did commit the offense of **Domestic Terrorism (Felony)** in violation of O C G A **16 11 220** and against **State of GEORGIA** and the laws of the State of **GEORGIA**. The facts this affidavit for arrest is based on are: **said accused did attempt to commit a felony violation of the laws of this state which, as part of a single unlawful act or a series of unlawful acts which are interrelated by distinguishing characteristics, is intended to cause serious bodily harm, kill any individual or group of individuals, or disable or destroy critical infrastructure, a state or government facility, or a public transportation system when such disability or destruction results in major economic loss, and is intended to change public policy, to wit: said accused was a member of a group of approximately 50-100 people that criminally trespassed on marked land, walked approximately half a mile in the forest, and began to assault Atlanta Police Department Officers and Georgia State Patrol Troopers with rocks, fireworks, and Molotov cocktails, placing the officers in troopers at risk of receiving serious injury or death Multiple pieces of heavy machinery were set on fire Much of the group was also equipped with homemade, metal shields, and wore camouflaged or dark colored clothing. Many of the above actions were publicly posted on the group's social media accounts and the chant "stop cop city" was repeatedly used.** Prosecutor makes this affidavit that a warrant may issue for the accused person's arrest.

Probable Cause

On Sunday, March 5, 2023, the group **Defend the Atlanta Forest/ Stop Cop City** held a publicly announced music event in the area of **1324 Key Road, Atlanta, DeKalb County, Georgia**. During the event, approximately **50-100** members marched through the crowd chanting **"stop cop city"**, armed themselves with metal shields while mostly wearing camouflaged or dark colored clothing, and marched approximately half a mile through muddy forest to the construction site of the new Atlanta Public Safety Training Center

Once there, suspects began to throw rocks, fireworks, and Molotov cocktails at Atlanta Police Department Officers and Georgia State Patrol Troopers guarding the site. This placed the officers and troopers at risk of receiving serious injury or death. Many of the above actions were publicly posted on the group's social media accounts and the chant **"stop cop city"** was repeatedly used. The suspects breached the fence of the secure area and lit at least one piece of heavy machinery and at least one APD all-terrain vehicle on fire, resulting in in total destruction. One trooper and one officer received minor injuries.

A total of **44** people were detained and, following the field investigation by GBI, APD, and DKPD, **11** subjects were released without charge. Those **11** subjects were determined to have not participated in in violence or acts of destruction, were not muddy, and had legitimate reasons for being in the area. Of those who were arrested, none wished to make a statement but many of them had the phone number of the **"Atlanta Solidarity Fund Jail Support Line"** in their clothing or written on the person. It should be noted that this support line has been contacted many of those who have recently been arrested in other domestic terror incidents in **Fulton and DeKalb County**.

The above information was collected by statements, interviews, social media posts, and videos.

The accused was observed with muddy clothing from breaching and crossing the embankment. Accused was also in possession of a shield.
