SUPPLEMENT OF K. REYNOLDS, F.S. - CRIME LAB/FIREARMS - 9/17/10, Duplicate Supplement from 10-280085.

At the request of Sgt. Kjos, I removed the following evidence from the MPD Property Room for examination:

From P#35931:

Item - 1: One (1) Springfield Armory, semi-automatic pistol, model XD-40, caliber 40 S&W, serial number **13.82**, all black in color with stainless slide, approximate 4" barrel rifled with six lands and grooves with a right-hand twist, with trigger pull of approximately 4-3/4 to 5-1/4 pounds. Magazine submitted with Item - 1 contained nine (9) live cartridges, which I removed from magazine and placed in an MPD bullet envelope:

Six (6) "HORNADY 40 S&W", nickel case, brass primer, copper jacketed hollow point bullet.

Two (2) "FEDERAL 40 S&W", brass case, nickel primer, copper jacketed hollow point bullet.

One (1) "CCI NR 40 S&W", aluminum case, nickel primer, copper jacketed flat nose bullet.

Item - 1 was test-fired and entered into IBIS for correlation with like-caliber evidence. Results are pending.

from P#3625 (Homicide 10-005090):

Item - 18: One (1) discharged cartridge casing, "S&B 40 S&W", brass case, nickel primer, from Medium sized manilla envelope marked, "Case 09007196, Officer: Joshua Ryan, Item: 09007196005-1, Springfield Test Casing, 1/8/2010.

Inside the sealed manilla envelope was a sealed white bullet envelope marked: 2-96-43, Springfield, Inc., 420 West Main Street, Geneseo, IL 61254, FFL#3-36-037-07-2b-35798, Make: SPRINGFIELD ARMORY, Model: XD-40, Gun Type: PISTOL, Caliber: 40SW, Serial #: **13.82**, Rifle Char: 6RH, Tech/Collector: OBAJDIN Z., Signature: (Obajdin signature), Date: 13-01-2009.

RESULTS OF COMPARISON EXAMINATION:

Factory test-fire, listed above as Item - 18 in 10-005090, was compared to test-fire from Item - 1 in 10-280085 and revealed the presence of matching features. This means that test-fire from Item - 1 in 10-280085 is consistent with having fired Item - 18 (Factory Test-fire said to have come from Springfield XD-40, Serial # **13.82**).

Results were verified by F.S. M. Hummel and evidence re-sealed in its original packaging and will be returned to the MPD Property room for inventory.

This is the report of conclusions of an examination performed by me.

Sgt Porras and I were contacted by Mr Bob Strietz, Assistant Hennepin County Prosecutor regarding a male who wished to speak to us about this case. It was explained this male is currently charged with a crime here in Mpls and housed in Hennepin County Jail.

In our offices on 10-20-10 Sgt Porras and I met with Mr. Bob Polly and his client Ryan Daniel Jone-Adams, dob 8-5-93. Ryan explained he was housed at one time with both Ahmed Ali and Mahdi Ali. Ryan said both Mahdi and Ahmed spoke to him about the murders that happened at the Seward Market earlier this year.

Sgt Porras and I had Ryan and Mr. Polly go into interview room F. This room is equipped to audio and video record our conversation. The recording equipment had been activated and both Ryan and Mr. Polly were aware of that fact. Please see the transcript of our interview for complete details.

In brief: Ryan said he was booked into HCJ on January 22nd or 23rd of this year and was housed in the same quad as Ahmedshire Ali. Ryan said he and Ahmed spoke of the robbery and subsequent shootings at the SEWARD MARKET. Ahmed apparently told Ryan he and Mahdi Ali went into the store to rob it but Mahdi panicked and shot everybody. Ahmed told Ryan his role was to keep any customers at the back of the store and take their cell phones so no one could call the police. When the shooting happened, Ryan said Ahmed told him he ran from the store and eventually "split" from Mahdi. Ryan said Ahmed told him only Mahdi had a gun during this robbery/murder. According to Ahmed the gun used was an XB40 which was obtained during a different robbery.

Ryan said Mahdi Ali then transferred into his same quad. Eventually, Ryan said Mahdi told him he and Ahmed Ali robbed a store by Mahdi's house. According to Mahdi, when they went in the clerk wasn't scared of him. Ryan was apparently told the clerk was pointing at Mahdi and telling Mahdi to get out of their store. Mahdi told Ryan another customer came into the store and he panicked and shot the customer. Ryan said Mahid said he ran from the store but then came back because Mahdi thought the clerks recognized his voice so he shot them. Ryan said Mahdi was upset with Ahmed because Ahmed only wore one glove during the robbery.

I showed Ryan a picture of Ahmedshire Abdi Ali, dob 3-1-92. Ryan said this is the first guy he was housed with in HCJ. Ryan signed and dated this photo.

I next showed Ryan and picture of Mahdi Hassan Ali, dob 1-1-93. Ryan immediately said "Mahdi Ali". Ryan signed and dated this photo as well. We ended the interview and Ryan was returned to HCJ. The interview was down loaded and saved to a DVD. The DVD will be property inventoried along with the confirmatory photos signed by Ryan Daniel Jones-Adams.

And when the customer came in, MAHDI froze up because AHMED was supposed to make sure everybody was in the back or something like that everybody was in the back and take the cell phones and stuff so no one would call the police. And MAHDI came in and the dude the clerk the person that was working there he was basically in Mahdi's face told him get out, get out of my store with all that. He said they were speaking in Somali and, and he just froze up, froze up when the customer came in and shot him.

And when a customer came in from behind they said well AHMED said that he got scared he panicked and he shot.
- Q. What did AHMED do when this, when MAHDI shot the customer?

papers?

R. Never.

Q. Never read.

R. No.

Q. Anything that was in there?

R. No.

Q. Did you after you talked to him did you ever go; do you have access to computers in there?

R. No.

Q. You didn't read any newspaper articles or anything during that time with AHMED?

R. No.

Q. But you did see news coverage, did you see like TV news coverage of this?

R. Yeah. All the news coverage I seen was when they were saying AHMED was supposed to testify against MAHDI. And when AHMED was there with me the only thing I seen on the newspaper was MAHDI going to court and saying that he didn't know how old he was. That's the only thing I seen on the news.

Q. And then at some was there an occasion when MAHDI, MAHDI came into jail.

R. Yeah right after AHMED turned 18, MAHDI came from Carver County.

Q. Had you ever, did you know who MAHDI was?

R. No.

Q. Was AHMED in the same jail at the same time?

R. When AHMED turned 18 and went to the newer jail and MAHDI came into the old jail where juvenile part of jail.

Q. Okay and then that's where you were?

R. Yes.

Q. Were you guys then housed in the same area?

R. MAHDI. I was in it's a quad 6B and MAHDI was in 6F. It's a hallway it holds two cells in there and he was like in protective custody type because they didn't know how old he was. So they wasn't trying to put anybody there with him. But after a while about a month later I went in there with him and he just the same thing AHMED. He tried to be cool to see what type of dude I was, cracked little jokes you know. And then he told me this and he got it off his chest too I needed to tell somebody like. He told me that they were planning a robbery and before he robbed a gun store in St. Louis Park.

Q. Did he give you any more details about that St. Louis Park gun robbery?

R. No. He just said he was, he just said that he robbed the store in St. Louis Park for guns and he was selling guns.

Q. Okay.

R. Yeah and um they, he was supposed to sell AHMED a car earlier that day and they was planning on robbing the store next to his house. And he said he taught, he said he taught AHMED well to wear masks, two gloves so no identification of anything, no case basically you know. When they went he just said that they were in there, he came in. This basically telling it's a robbery give up everything and then he said the clerk he said was like an older guy or something like that. But the clerk he wasn't scared of them. He went right in his face like get out of my store, get that gun out of my store and he said that he, he said he was scared like he didn't know what he was going to do and when the customer came in, he just panicked and he shot

the customer. And then they ran out of the store but then came back and he shot, shot everybody up, the other two.

Q. Did he say why he shot the other two?

R. Yeah because he said that they thought they recognized his voice because it's next to his house.

Q. Going back first he said they wore masks.

R. Yeah.

Q. And then they wore gloves.

R. Yeah.

Q. Did he say that they both had masks both he and AHMED had masks and gloves on?

R. Both him and AHMED had matching gloves on but AHMED had one and MAHDI had two.

Q. Did he, why did AHMED only have one glove?

R. He that's what he said the same thing. He said that he was stupid for it. He taught him better than that.

Q. And then okay and then did he, did MAHDI now this is MAHDI.

R. Yeah.

Q. Did he say what AHMED did in the store?

R. He said AHMED his role was supposed to be just get the money and make sure nobody had any cell phones, make sure they can't call the police and get the money. So he said AHMED was looking a little scared too, a little panicky.

Q. And then so then there is, is MAHDI telling you they were talking in Somali?

R. Yeah.

Q. And then the customer was it one of the clerks was pointing at his face?

R. Yeah he just came up to him, walked up to him like get that out of my store, get out of here with that and he just said he didn't, he thought the clerk was going to do something to him and when the customer came in that just made it all go bad.

Q. And did he say he ran out of the store or what did he do after he shot the customer.

R. He said after he shot the customer, he ran out of the store but then came back and two the other two.

Q. Did MAHDI say what he did after he shot these people?

R. He just said he got rid of everything.

Q. Did he way where he got rid of everything?

R. No he didn't tell.

Q. Did MAHDI ever tell you why they chose that store?

R. No.

Q. MAHDI didn't.

R. No.

Q. Did MAHDI ever tell you when did they plan this robbery, who planned the robbery?

R. Yeah they did MAHDI ALI and AHMED.

Q. Did MAHDI ever say that AHMED's cousin was involved in the planning?

R. He said he was present.

Q. That his cousin AHMED's cousin was.

R. Was present but he didn't get involved with it.

Q. He didn't go in the store?
R. No he didn't go in the store.
Q. he wasn't the driver of a car or anything like that, a get away car
R. No.
Q. And at some point then did MAHDI ask you to talk to your lawyer or talk to somebody about this case?
R. He asked me to basically cover it up for him and he will do something for me. He said that he will have his lawyer and his investigators come in and take a statement from me saying that AHMED and his cousin did it and they are trying to blame it on him. And he wanted me to basically just tell and just cover up for him saying that his cousin and AHMED did it.
Q. So his cousin.
R. AHMED's cousin and AHMED.
Q. Okay. That did the robbery and killed these three men.
R. Yeah.
Q. Did you do that then?
R. No.
Q. Do you know if MAHDI talked to anybody else in jail?
R. Yeah, yeah. He talked to the GIOVANNI GARCIA, ZACHARY ROBINSON and he tried to get MARQUEL TOWNSEND too but two of them refused - GIOVANNI GARCIA and MARQUEL TOWNSEND refused.
Q. How do you know that?
R. Because we were all in the same quad after awhile and you know if like one person talks everybody is going to get involved.
Q. Right.
R. And basically MARQUEL, ZACHARY and GIOVANNI came up to me saying that that MAHDI asked them to do this for him and he didn't come up to me. He came up to me last about it and then when he came up to me about it, I already knew what he was going to say.
Q. So when he approached you with this then obviously you didn't talk to the investigators.
R. No.
Q. Did you immediately notify your attorney then?
R. My attorney came before the investigators came so he was present with me.
Q. And you mentioned that St. Louis Park robbery the gun store.
R. Yeah.
Q. Did MAHDI ever tell you was AHMED part of that robbery?
R. No he didn't. He never said.
Q. He didn't elaborate on that he just said that he did it.
R. Yep.
Q. And for guns.
R. Right.
Q. And then that he was selling guns from that robbery.
R. Yep, yep.
Q. But he didn't give you any details about that robbery?
R. He didn't give me no details.
Q. Going back to ZACHARY and GIOVANNI and do you know, first of all how do you know if any of them talked to MAHDI's attorney?
R. Because MAHDI got mad at GIOVANNI GARCIA because GARCIA because his lawyer told MAHDI. MAHDI's lawyer told MAHDI that GARCIA didn't give a

statement so MAHDI basically confronted it GARCIA about it saying why didn't you tell them this. I told you. Because basically he was confronting him and he said well it doesn't matter because ZACHARY ROBINSON gave a statement anyway.

Q. What was MAHDI, did MAHDI so he asked you to do this for him to give a statement to his attorneys?

R. Yes.

Q. Did he say he would do anything for you if you did this?

R. Yes he said that that basically he said that you know that I get money so I will make sure there is money in the books. I will come visit you and if you got any witnesses to help you in the case because I will be out before you do that I can go take care of them.

Q. What did that mean to you?

R. That basically he was going to kill the witnesses.

R. Yes if I help him on his case.

Q. And everything you are telling us is true?

R. Yes it's true.

Q. I mean you haven't fabricated anything.

R. No.

Q. Made-up anything.

R. No.

Q. Do you know who that guy is?

R. That's AHMED.

Q. That's AHMED. And that's the guy you were housed with in jail.

R. That's the first guy yeah.

Q. Okay. Can I get you to sign that? Today's date 10/20. And then do you know who that guy is?

Q. Just a couple of questions. I got more questions. Did MAHDI ever tell you what caliber of gun he uses or type it was?

R. Yeah it was well basically they both told me two different guns. One of them said it was an XB40.

Q. Who told you that?

R. AHMED. AHMED said it was an XB40 and MAHDI said it was a .9, .9 mm.

Q. Okay and did MAHDI or AHMED ever tell you that the gun they used was from that St. Louis Park robbery.

R. Yeah it was.

Q. Who told you that?

R. That both of them.

Q. They both told you that.

R. Well not both of them but one of them said that the XB40 he got it from robbing somebody. That's what AHMED said so I am guessing that it was from that same robbery.

Q. From the St. Louis Park one?

R. Yeah. MAHDI told it was so. I am just kind of confused on that one

though.

Q. Okay. Anything else you remember?

R. Not that I know of unless you ask me more questions.

Q. How about this, did they ever tell you what kind of car they were in?

R. They never said a car was involved. No.

Q. I mean why that store, did he ever say why they robbed that store?

R. No. Never. He just said it was next to his house and he used to go to that store and he thought that they will know know his voice so that's why he was scared.

Q. Okay but he went there anyway even though he knew that they would know his voice?

R. Yes.

Q. But that's why they covered up?

R. Yeah.

Q. And you never read any of MAHDI's papers ever?

R. Never.

Q. Correct.

R. Yep.

Q. Real quick before this, before they did this robbery did they talk about doing any other robberies other than the gun store robbery?

R. Yeah they, they said that they did some missions. That's what they call it some missions and that they done a store like like cars, like car tires and rims basically and rob you for money but they never really gave details.

Q. And wher. you say they was it both MAHDI and AHMED would tell you this stuff or?

R. Yeah MAHDI, MAHDI was the main one that was saying that they did missions and stuff because he called himself TRIPLE M I guess.

Q. What does that mean?

R. MAHDI MISSION. MISSION MAN MAHDI and MURDER MAN MAHDI and stuff like that you know. He got it carved it in some of the rooms he had been in in the facility.

Q. TRIPLE M.

R. Yeah.

Q. MAHDI does.

R. Yep.

Q. Did MAHDI ever tell you was he associated with any gang?

R. Yeah Cedar Riverside.

Q. Cedar Riverside?

R. Just Somali Cedar Riverside.

Q. They just call themselves Cedar Riverside.

R. Yep.

Q. How about AHMED did he ever say anything like that?

R. It supposed to be SOL. Ah Somali Outlaw yeah. That's one of the reasons he was trying to, he was trying to say tell, tell his people that his investigators that AHMED and his cousin because his cousin is supposed to be SOL and they were trying to say basically lie for him because he is Cedar Riverside and SOL don't like each other and he was saying it will, it will make sense that he will tell on somebody from a different gang hood.

Q. That is MAHDI telling you.

R. Yes.

Q. This is MAHDI telling you this is what you need to tell the investigators?

R. Yeah.

Q. That the reason AHMED is lying about it being MAHDI is because of his cousin.

R. It's because of SOL Somali Outlaw and he is Cedar Riverside and they don't like each other.

Q. Did MAHDI ever say anything to you about what he would do to AHMED if he testified? Have you ever heard him threaten anybody in the case?

R. He basically said that if he loses his case and he goes to jail he was going to kill, he was going to kill AHMED and he was going to kill his self.

Q. That he is going to kill himself.

R. Yeah.

Q. Real quick going back to AHMED's cousin. I just thought about this. Was there, did they, did anybody indicate why his cousin didn't participate in the robbery?

R. No he just, they just said that he was there earlier that day and he left so he didn't see any part of it.

& FS Mink - Crime Lab Unit - exam of latents from Scene and metal bar
processing
CCN: 10-005090

This report concerns the analysis of the ridge detail lifted from the scene and the processing of the metal bar collected from the scene as stated in supplement #19.

The metal bar (which had been partially detached from the front door) was processed and examined for latent evidence in the Crime Lab Unit. Ridge detail was developed, marked, photographed, and lifted. After processing, the metal bar was inventoried in the Property and Evidence Unit on 1/18/10. The ridge detail was examined by me, and the results are as follows:

" Latent lift #1 (from the metal bar) contained one latent print that was labeled #1

" Latent lift "A" (interior glass of the front door) contained one latent print that was labeled "A"

" Latent lift "B" (interior glass of the front door) contained two latent prints that were labeled "B1" and "B2"

" Latent lift "C" (interior glass of the front door) contained one latent print that was labeled "C"

" Latent lift "D" (interior glass of the front door) contained one latent print that was labeled "D"

" Latent lift "E" (interior glass of the front door) contained one latent print that was labeled "E"

" Latent lift "F" (interior glass of the front door) contained two latent prints that were labeled "F1" and "F2"

The latent prints were analyzed for quality by me; the analysis results are as follows:

" SUFFICIENT for comparison: "A"; "B1", "B2"; "C"; "D"; "E"; "F1"; & "F2"

" INSUFFICIENT for comparison: "1"

At the request of Sgt. Kjos of the Homicide Unit, fingerprint and palmprint cards bearing the names of the following individuals were obtained from MPD files and the MnBCA's PrintPrint system for comparison purposes:

" Mahdi Hassan Ali (DOB:1/1/1993; MPD #2010-0178; SID #MN09BX8841)

" Ahmed-Shire Abdi Ali (DOB:3/1/1992; MPD #891697; SID #MNJ6067530)

" Amir Abdulqadir Farah (DOB:10/21/1989; MPD #08-3829; SID #MN08B27996 & SID #MNJ6055079)

I compared the latent prints to the individuals listed above with the following results:

LOCATION OF EXAMINATION:

Minneapolis Police Crime Lab
350 5th Street South, Room 102
Minneapolis, MN 55415

CONCLUSIONS:

Based on the information revealed by the forensic examination, as well as the examiners experience and training, the following findings have been reported:

1. The examiner utilized a signal disruption tool to stop the outgoing and incoming signal for each appropriate evidence item at the beginning of the examination. Using the menu system the examiner then manually attempted to deactivate the transmitters for each evidence item (for example airplane mode). Once the transmission mode for the evidence item was deactivated it was no longer necessary to employ the disruption device.

2. The CelleBrite UFED forensic tool was used to retrieve the audio/music, call history, contacts list, images, and text messages stored on evidence item 2010-201-1 (Samsung cell phone). The examiner connected the evidence item to the CelleBrite device and transferred a copy of the requested information onto a USB thumb drive. The report created by the CelleBrite device was added to the case examination CD and can be accessed under the title, "CelleBrite 2010-201-1".

3. The examiner used the Project-a-Phone tool to record general information stored on the phone. The examiner recorded the display screen of the evidence item while manually navigating the menu system of the phone to the

The examiner used the CelleBrite to generate a report of the readable information stored on the evidence item. The report was added to the case examination CD and can be accessed under the title, "CelleBrite 2010-201-2 (SIM Card)".

5. Any questions regarding the above findings or additional information can be provided upon request. One copy of the case examination CD was created and given to Sergeant Porrás. A second copy of the case examination CD was created and property inventoried in the Minneapolis Police Property Room.

Findings

Based on the information revealed by the forensic examination, as well as the examiners experience and training, the following findings have been reported:

Media 2010-200-1

- 1. The phone's battery had discharged and had to be recharged. The battery in the phone would not hold a charge so a replacement battery had to be ordered. Once received, the battery was charged then phone was powered on. A cellular disruption device was activated prior to the phone powering on. This prevented the phone from connecting to the cellular network. Once powered on, I navigated the phone's menu system and turned off the phone's transmitters. The cellular disruption device was then powered off.
- 2. The CelleBrite UFED forensic tool was used to examine evidence item 2010-200-2 (SIM card found attached to evidence item 2010-200-1) The SIM card was removed and inserted into the CelleBrite UFED. The examiner used the CelleBrite to generate a report of the readable information stored on the evidence item. The reports were added to the examination CD.
- 3. The CelleBrite UFED forensic tool was used to retrieve the contacts, call history, text messages, and phone information stored on evidence item 2010-200-1. The examiner connected the evidence item to the CelleBrite device and transferred a copy of the requested information onto a USB thumb drive. The report created by the CelleBrite device was added to the examination report CD.

I was unable to retrieve the images, videos, or voice notes because those applications were password locked and there were no known ways of bypassing the password.

- 4. Any questions regarding the above findings or additional information can be provided upon request. One copy of the case examination CD was created and given to Sergeant Porras. A second copy of the case examination CD was created and property inventoried in the Minneapolis Police Property Room.

On 1-6-11 I met with Christa Thorne at her home in Edina, MN. On 1-6-10 Christa was the Assistant Manager at Wilson's Leather Outlet Store located at 1312 Glenwood Av N, Mpls, MN.

With my digital recorder activated, I asked Christa if she remembers the three Somali males who came into their store on 1-6-10. Christa said she did, further stating she caught one of the males attempting to leave the store with a stolen coat. Christa said she recovered the coat and all left the business.

Christa said she checked the rest of the store and noted several empty coat hangers on racks at the back of the store. Christa said this would indicate other coats were taken besides the one she recovered from a male Christa had positively identified as Ahmedshir Abdi Ali, dob 3-1-92.

Christa said their SEAN JOHN jackets are kept in the back of the store along with several faux shearling (fake suede) jackets. When she saw the empty coat hangers, Christa said she believed these males were able to steal other coats, specifically faux shearing SEAN JOHN jackets.

I showed Christa surveillance photos taken from the Mpls Impound Lot on 1-6-10 and pointed out a jacket worn by a male in the photograph. Christa recognized the jacket as one that was sold at her store on 1-6-10. Christa further stated a jacket like the one worn by the male in the surveillance photo was stolen on 1-6-10. Christa signed the photo and the interview was ended.

The signed surveillance photo along with the two other pictures Christa viewed will be property inventoried into this case.

Q. Do you know what colors they were or?

R. There was a shorter one I don't recall and there had been a black one as well both Sean John.

Q. Now I showed you a couple of photographs surveillance photographs from a business just down from you at the Impound Lot and a male in these pictures is wearing a jacket that I pointed out to you. Do you recognize that jacket?

R. Yes I do.

Q. What do you recognize about the jacket?

R. By looking at it I can tell that it's a Sean John. It was one that we carried in the back of the store and its kind of faux shearling style.

Q. What is faux shearling?

R. It's fake suede.

Q. When you were looking throughout the store and you found these empty hangers would this coat that this male in the photograph is wearing would that coat have been in the area where the empty hangers were?

R. Yeah out of the section yes.

Q. So you don't know for certain if this coat was stolen from your store but it is definitely a coat that is sold at your store?

R. Yes.

Q. And a coat like this similar to this was stolen from your store on January 6?

TAPED STATEMENT OF JOCELYN THOMSON-THELEN - 01/24/2011

BY SGT A. KJOS/SGT L. PORRAS

CCN 10-005090

Transcribed by ht

At Minnesota Correctional Facility, St. Cloud, MN

Q. JOCELYN, you work for the correctional facility in St. Cloud?

R. Yes. I am a case manager here.

Q. What we are here to talk to you about is regarding a case that we are investigating in Minneapolis and the case number assigned to that is 10-005090. So you are a case manager here at St. Cloud and can you kind of briefly explain what that means.

R. I specialize in anyone who comes in under the age of 18. I run what's called the youthful offenders program here in St. Cloud. So anyone that gets sent to an adult prison as a certified adult gets assigned to my case load.

Q. Is a male by the name of ZACHARY ROBINSON is he one of your clients?

R. Yes he is.

Q. In June 2010 did some attorneys contact you requesting to visit ZACHARY?

R. Yes. There was a FREDERICK GOETZ that called and stated that he was a defensive attorney and needed to speak to ZACHARY ROBINSON regarding his client's case. His client apparently hoped that ZACHARY would be help his case and we set up a meeting. I filled out the paperwork on June 4. The first meeting took place on June 10 and he and his investigator MICHAEL GROSTYAN both came in and talked to ZACHARY at that time. I was not present at the meeting.

Q. So it was just Mr. GOETZ, Mr. GROSTYAN and then ZACHARY?

R. Yes.

Q. After that meeting took place did you then have an occasion to talk to ZACHARY?

R. Yes. ZACHARY came back to my office and made a phone call home which is something that I normally do with the youthful offenders. After he got off the phone, he sat for a minute and said he felt kind of bad because he lied to the attorney and said the he didn't know anything and couldn't help him. And he said he felt bad about that. And I asked him well what did he want to do? You know did he want me to call the attorney back and tell him that he had lied or that he was going to tell them something different. He thought about it and decided that yes I could call Mr. GOETZ back and I did. We set up a second meeting. I do not remember when that meeting took place. I believe it still would have been in June and they met a second time and I have no idea what they talked about. ZACHARY never said. He never referred what case it was for or how he was involved and that was pretty much the end of the matter. I have not heard anything further from Mr. GOETZ or his investigator and ZACHARY spent most of his time down is seg so I haven't

seen much of him either.

Q. Now this form you are talking about and you provided me with a copy of that form is that correct?

R. Yes I have.

Q. And you said you filled it out on June 4, 2010?

R. Yes.

Q. And then the date it says date of event is June 10, 2010.

R. Yes.

Q. And that would be the day that Mr. GOETZ and Mr. GROSTYAN.

R. I am not sure how you pronounce it.

Q. But that would be the date that they met with ZACHARY.

R. Yes the initial meeting.

Q. And then it was after June 10, 2010 that they would have come back and visited?

R. Yes I believe so.

Q. and just to clarify is it within the same day this first meeting when ZACHARY told you that he lied to them and wanted them to come back was this within hours of this meeting or would it have been days after?

R. I am not 100% sure. I think it was the same day. I think it was later the same day but I am not 100% sure of that. It could have been a day or so afterwards that I remember he had the phone call. He was sitting in the chair by the phone when he told me about it and he was flipping a thing I have on the wall.

Q. LUIS do you have any questions?

R. SGT PORRAS: No I don't.

Q. Can you remember anything that you may have not told us or think of anything?

R. To the best of my recollection this is pretty much all that I have. I don't recall ZACHARY saying anything else regarding what it was about since it was a legal matter I didn't press him and that was about it. He didn't seem upset after a second meeting so I don't know if that meant it went well according to him or not but he never mentioned it again.

Q. Thank you very much.

On 1-24-11 at about 1300 hours, Sgt Porras and I met with Jocelyn Thomson-Thelen a Case Manager at the MN Correction Facility - St. Cloud. We had learned one of Jocelyn's clients is Zachery Robinson and she assisted Zachery in arranging a second meeting with Attorney Fred Goetz and his investigator Michael Grostyan.

Sgt Porras and I recorded our interview with Jocelyn. Please see the transcript of that Q/A for complete details. Our conversation in brief: Jocelyn said Fred Goetz requested to visit Zachary Robinson believing Zachary may have information helpful to one of his cases. Jocelyn stated she arranged the meeting with Mr Goetz, his investigator Mr. Grostyan and Zachary for June 10, 2010. Jocelyn said she did not participate in the meeting and has no idea what was said during their time together. Jocelyn said after the meeting, Zachery was in her office and mentioned to her he felt bad because he lied to Mr Goetz and Mr Grostyan. Again, Jocelyn said she did not know the context of the lie, only that Zachery said he lied during this initial interview and wanted the attorney to return so he could tell them the truth.

Jocelyn said she set up a second interview the Mr Goetz, Mr Grostyan and Zachery but did not remember when that conversation took place.

Jocelyn gave us a completed Admittance Authorization form indicating the Admittance form was completed on June 4, 2010 authorizing a visit between Frederick Goetz and Michael Grostyan with Zachery Robinson on June 10, 2010. This Admittance Authorization form and the CD-R containing the recording of our interview with Jocelyn Thomson-Thelen will be property inventoried. Please note, through our MECC retrieval program, I located the dispatch call requesting a "wash down" at the Seward Market during the early morning hours of 1-7-2010. The recording of Fire Dispatch sending a rig was downloaded on to a CD-R. Also on this CD-R is MPD dispatcher stating "304?" the the air is silent for a few seconds and the dispatcher says "copy". Less then sixty seconds later, Fire Dispatch, at the request of squad 304 dispatches a rig to the Seward Market for a "wash down".

The CD-R recording of the MFD dispatch call will be property inventoried into this case.

Q. Getting all the right answers.

R. Yeah I just you know how to do math?

Q. I can't even do my fifth graders math. Okay. I am not going to.

SGT PORRAS

Q. That's why we're policemen.

R. I want to be a cop too but I still have to go through all this.

Q. We did too.

R. Can I give her her stuff back?

Q. Yeah. Here I will get it to here. Don't want you run around the halls here.

SGT KJOS

Q. Sgt. (inaudible) right next door.

R. Oh okay. He got he came in right AHMED? His family called. His family came to my house and we were talking. And they said so we got a hold of AHMED so what do you think we should do? I told him that the officers the investigators that they talked to me and then they said AHMED all he needs to do is just come in because that's what the other lady was telling me. I think when they all told me that too that he should just come in.

Q. Yeah we needed him to come in so we could talk to him yeah.

R. He came in right.

Q. Uh huh.

R. All right.

Q. How old are you 14?

R. No I am 16.

Q. Oh you are 16. Do you have a driver's license?

R. No I don't.

Q. You don't.

R. Not yet. I am trying to get my permit first.

Q. We just got to try to clarify some things that's why we asked you to come back down. Now originally you told us that you talked to **13.82** right just and it was about what?

R. It was about that little shooting stuff.

Q. Right.

R. I asked him about my cousin what happened to my cousin and stuff that was inside the classroom, we talked at class.

Q. Did you ever talk to him anywhere else?

R. Yeah we talked in hallway once.

Q. What did you guys talk about there?

R. We was talking about the the killings and stuff in Somalia you know the

killings and stuff.

Q. in the country Somalia?

R. Yeah the country Somalia about you know did you ever hear about the you know that video I don't know a website that my dad knows about Somali, Somali dudes in the war and stuff. They get shot, hit in the stomach and then they fall and shows like real.

Q. Graphic stuff.

R. Yeah. When they fall, they try to get back up and then they look at themselves and that's how they die showing videos about that and stuff.

Q. Now the day that you had asked **13.82** about the shootings and stuff was AHMED in school that day?

R. Yeah he was in school that day. It was the day right after the shooting. That's, that's AHMED. Yeah that's AHMED right there. That's me right there. Yep. That's when I was talking to him.

SGT KJOS

Q. What are you talking about?

R. I was talking to him about that little thing, that little shooting stuff. That's when he didn't want to tell me anything and then we talked again in the bathroom too.

Q. You are still talking to him right?

R. No, we went in the class, that's a classroom. Down there is a classroom right there and that's the dude I said that I was talking about right there.

SGT PORRAS

Q. Okay and what's he doing?

R. I don't know probably getting ready to go out. Me and **13.82** talked in the classroom too and we talked in that hallway down there.

SGT KJOS

Q. You're mad.

R. Yeah that's me and AHMED.

Q. But you're mad.

R. I'm mad.

Q. Are you mad?

R. No I am not mad.

Q. What are you doing?

R. I don't know, talking to him. That's when I told you that I grabbed him and I was talking to him about the stuff.

SGT PORRAS

Q. Referring to whom?

R. AHMED. And I tried to ask him about it.

Q. There is something not right here.

SGT KJOS

Q. That's our problem. There's something not right. Somehow, some way somebody was given specific details about what happened inside that convenience store? Details only either the person who was in there or at least somebody who was in there told them what happened.

R. Uh huh.

Q. Did AHMED tell you what happened inside there?

SGT PORRAS

Q. Because now, because now is not the time to I mean this is full steam ahead okay and just want to explain one thing to you okay. I mean okay yeah

you have helped us along the way no doubt with. Some things. But like she said there are very specific details that are out and people are saying that you are talking about it.

R. Yeah

Q. Okay and if you lie you know that you can be charged too.

R. Yeah but I would have not -

Q. For, for obstructing in a murder investigation okay.

R. What does obstructing mean?

Q. Obstructing means that you're purposely lying to us or keeping facts from us that prevent this case from moving forward and the person who lies gets half the time of the person who actually does it. Okay. There are specific details that only someone is going to know and we need to know from you how is it and why is it that people are saying that you are the one talking.

R. I don't know. I was trying to talk to 13.82 today but he didn't come to school. So I talked to his friend 13.82 this girl that he always sits next to and then I told her I said the investigators because you all said now I am clean right I can say whatever and do whatever right. So I talked to her and then I said 13.82, where's 13.82 first. He said why. Then I said remember the day they tried to drop me off because 13.82 was in the talk with the kid that was taking me home on Friday when you all came to come pick me up. So I told her I was like 13.82 said to the investigators and stuff I don't know why he said it but he is saying that he said I said the investigators told me that he knows specific details just like you all told me and he is saying that specific details came from me and I said it to him. And then I told her I did not say that to him and I was at home when everything was going on.

Q. Okay. We're not saying that about the being home part and everything else. There's only certain things like she said again that people you know are saying its you saying these things, these very specific details. Okay.

R. Yeah

Q. Did AHMED tell you anything and you cannot feel obligated to protect him just because he is your family. This is you know what I am saying.

R. I wouldn't protect him. I swear I wouldn't. That's why, that's why I told his family to bring him over here. If he did something why would I tell like you, why would I bring him over here if I wanted, if I wanted to protect. You told me it's helpful for him to come over here right. Why would I lie about like some stupid just like some stupid stuff to lie about? If I knew that he told me something I would tell you all because it doesn't have anything to harm me you know.

SGT KJOS

Q. So, so you were in the car when AHMED and MAHDI got out at Nicollet and Franklin.

R. Yep I was in the car.

Q. Were you on Franklin?

R. No I was not on Franklin.

Q. Were you on Nicollet?

R. Yeah I was on that little side you know the little the Starbucks side but up above there and then there and then we moved the car again. He moved it to this dude named BULLET HEAD, dude named BULLET HEAD's house. He moved the car again to a dude named BULLET HEAD's house and then the second time

MAHDI and them we talked in the car. MAHDI and them we talked and I told them I said yo.

SGT PORRAS

Q. What were they talking about?

R. MAHDI and AHMED was talking. They was talking about I don't know. They was like yo we got to get this money some one way one how you know and he was telling me and I was like yo I don't have nothing to do with no money because I know the car ain't going to be mine you know because look it's a Caprice Classic right. At some car dealer or something sells it for like \$4,000 or something you know it's a used car you know. And he said if I get \$150 that the car would be mine you know that's something like that's unbelievable. You know any dealership would say that if that was true if that was the truth you know. That means there is something wrong with the car or either the car is not under his name or something like that. That's why I told him I was like yo take me home. And then as soon as he took me to my house Auto Zone the camera I don't know if the camera was facing there but then the Auto Zone I told, I talked to my cousin I was like you go home you know. I don't trust this guy MAHDI because me and him fought before so I think he had like I don't know if he still had a grudge for me or something but I didn't trust him you know. So I told

my cousin I was like first I talked to MAHDI I was like take my cousin home, take my cousin home, take my cousin home. Then my cousin got mad at me for like treating him like a little baby or stuff like that. So he took me, he took me out of the car. Me and him talked. I was like yo go home. He said man I am going to go home and ain't nobody a little kid over here. I was all right man just don't do no stupid stuff, just go straight home. Okay. Boom. I got in my house. Before I got in my house I told him I was like if you want to my house with me everybody can come to my house with me. And they said no I am going to go home, I am going to go home for sure I will go home. All right. And I came straight and sat at my house. The next day I came to school my dad told me about everything. I talked to 13.32. As soon as right after I talked to 13.32 then I talked to AHMED. AHMED wouldn't budge. He wouldn't tell me anything and then we started talking about some other subject. I don't know. I don't remember the other subject. Oh, we was talking about another fight, a fight that happened at this place you know Carmel, Carmel Village. Yo

u ever hear about dudes that broke the little mirror or something. I don't know. Because its not it wasn't no homicide but broke a little mirror through this one big dude. This one big tall dude he is like 25 you know and my friend we call him CHUCKIE but his name is MUSTAFA (sp?). MUSTAFA and dude got into it. They got into an argument. It was two dudes. One short dude one tall dude. They were like 20, in their 20's they are adults. Me and MUSTAFA are both 16. So me and dude, first MUSTAFA and the dude got into it. Then me and the dude got into it. And then we fought. And then the mirror broke through us two. And the dude my friends hand got cut and the other dude and them they went and then we left we went around the other side. We went in the bathroom. That's what me and AHMED were talking about the second time we was talking.

Q. Talking about what second time, the killings?

R. No. About the fight.

Q. What is, does AHMED have a nickname an American nickname like what do you call him?

R. I call him AHMEDSHIR.

Q. MEDCHEDA?

R. AHMEDSHIR.

Q. AHMED - SHIR?

R. Uh huh.

Q. What's his American, what's his nickname?

R. That's just what I call him. He calls his self on Facebook and stuff like that he calls himself TONY SNIPER, that's just a song though.

Q. Does MADHI ever call him anything?

R. No. MADHI never called him anything when I was in the car. I don't know if they have their special little their little bond between them two.

SGT PORRAS

Q. When they were going into the check cashing place and they are talking about getting money somehow what else were they saying?

R. They were just talking about getting some money and how we going to get it and I made a phone call through MADHI's phone. I called this dude named 13.82, this little short one. Not the tall 13.82 but this other dude named 13.82 and I called.

Q. What was that number you called?

R. 13.82

Q. That's his cell phone?

R. Yeah that's his cell phone. I called him from MADHI's phone. I don't know MADHI's phone by head though. I don't even think I got it written down.

Q. Do you know what his phone looks like?

R. Yeah it was, yeah a little Samsung, flip Samsung. That's what it was.

SGT KJOS

Q. Who is 13.82

R. That's 13.82 that's the other dude.

SGT PORRAS

Q. LITTLE 13.82

R. Yeah. He is older than the other one but then he's short though. We call him LITTLE 13.82, a little short dude but he is older than the other 13.82 I think.

Q. Why would people be saying that then that you are talking?

R. Really I don't know but today when I was talking to SMERE (sp?). I told her about that little fight him, 13.82 and my brother got into because of the Facebook message because my brother had my password you know and he replied to him and I replied to him once too. So my brother fought with him and punched him 13.82 actually he punched him twice. It was not that long ago though. It was like two weeks ago and they got into a fight at the WALGREENS by Carmel Village.

SGT KJOS

Q. So okay so it's possible that 13.82 would be saying that you said this just to get you in trouble?

R. Yeah possibly but I don't him I talked to him after the fight my brother, after my brother and him fought and he seemed like he was cool with

everything like he didn't have no problem with me. I don't know why he would be saying this really I don't.

SGT PORRAS

Q. There has to be a reason.

SGT KJOS

Q. And there is no way he knows some of the things he knows without somebody telling him.

SGT PORRAS

Q. That is close.

SGT KJOS

Q. Somebody had to have told him.

SGT PORRAS

Q. That's close to the person or people or you know.

R. He probably got information from the people probably got information from MADHI, him and my cousin were talking. He probably got information from him. I don't know.

Q. Why would people say its you that is saying this?

R. I don't know. I thought you all said it was only him that said it was me. He said some other people said that too?

SGT KJOS

Q. Well we have other people calling us that said you have been upset over this as well.

R. No. That's, I don't know why he would be saying that really.

Q. It goes beyond him. This is right away your name came up right away.

R. I don't know why really I swear I don't.

SGT PORRAS

Q. You understand what I talked to you about about lying.

R. I wouldn't lie. Why would I lie though? There ain't no reason for me to lie about that especially.

Q. Well I mean people lie for many different reasons but one of the reasons people lie is because they are somehow involved.

R. I am not involved.

SGT KJOS

Q. If you were like if you sat in the car right when you went to that Nicolette and Franklin deal.

R. When they went to.

Q. When they went into the place you sat in the car.

R. I was in the car.

Q. It's very possible that you were still sitting in the car when they went to the other place. You didn't know what they were doing because you didn't know what they were going to do.

R. I wasn't even there though. I wasn't even at the other place. I swear I wasn't. I was at my house sleeping. I went to sleep by I don't know. I know I was at the house by 6:40 something. Did you check the phone book thing my sister's?

Q. No not yet.

R. Did you?

in the room. He came in the room. He was in and out of the room my little brother turning on the light and stuff trying to fix the game because the hard drive wasn't working on our game Xbox 360. He seen me there. When my dad came he, he, my mom told me she was like when my dad came he asked he said what time did ABDI come home? He was talking to me saying what time did he come home and then my mom told him he came around six something and my dad was why did he come home around six something. He wants me to come home immediately after school. That's why everytime most of the time he doesn't ask like what time did I come home.

Q. That day he asked.

R. But that day he asked. He said what time did I come home?

Q. What time did your dad get home?

R. I don't know. I was sleeping.

Q. Was it late?

R. Yeah he comes home after he drops my grandma or my auntie off whoever that is working at the store.

Q. So these shootings would have already happened then?

R. Yeah they would have already happened and probably he came home probably 8:30 something, probably almost nine. I don't know whenever they closed the store that day.

Q. Why would he, would he have been worried that maybe you were part of it or just?

R. I don't know. He didn't even know about AHMED and none of that he was arrested until my auntie told him yesterday you know that until my auntie told him yesterday when we were at my auntie's house. Because my other auntie is the one younger than AHMED's mom, the one younger than her was getting married to some dude is Saudi Arabia and my dad you know my grandfather is dead and my dad is the oldest out of the family so he is the one that gives the girl away. So we was all at her house all the old men, a whole bunch of old men came downstairs. We were all eating. They were passing out 20 dollar bills and stuff. We ate and then my dad that's when my dad found out about it. That's when I found out AHMED had a visit on 8:00 that day yesterday he had visit at 8:00 or was it seven or something that his brother was talking about his mom.

Q. Who visited him? Oh his family visited him?

R. Yeah his family visited him on eight that's what they were saying. I left AHMED's house yesterday around seven or six something 6:50 probably seven something. I was at the house. My dad and me and my sister and my brother were with each other.

Q. And you asked AHMED did you get the money for the car?

R. Yeah.

Q. That day the next day.

R. Yeah.

Q. And he said what?

R. He said no, he said no, no so other shit happened, some other shit happened. I was like what is the other shit? He said man fucking some other shit and I just dropped it. That's how I dropped the whole thing.

Q. And his hair was long right?

R. Yeah his hair was long.

Q. Big long.

R. He had like curly hair little afro kind of curl. I didn't see him since then either.

SGT KJOS

Q. You haven't seen him since?

R. No. Because his mom told me she was like ah we got AHMED she came to my house and told me. We got AHMED so what should we do with him and I told her the investigators I don't know what's going to happen to him but they told me, what they told me was its best for him to go in and talk to them and then she said all right then and I think she said she told me after that she was like she brought him in.

SGT PORRAS

Q. What time was it that she called you and said all this?

R. No. she came to my house.

Q. What time was she at your house?

R. She came to my house like after I came back with the people you know the people after they dropped me off.

Q. It was after that?

R. Yeah.

SGT KJOS

Q. It was like midnight when he came here so it was before 12 midnight right?

R. Yeah it was before then.

Q. Came to your house?

R. Yeah. It was after they dropped me off. I wasn't like looking at the time but I know they dropped me off like, ah, what time was it when I was done with it over here when I got in the room with you all two.

Q. Nine.

SGT PORRAS

Q. After nine.

SGT KJOS

Q. Yeah it was probably about nine. Yeah it was about nine. It doesn't make sense to us how, how it, would AHMED talk to 13.82?

R. They were in the same class. I don't know they were sitting next to each other so they might have talked. But I don't know why AHMED would tell 13.82 if he didn't tell me though. You know because I am closer to AHMED than 13.82. He would have told me before anybody but.

Q. But would you have been disappointed in him, would you have made him do something like tell the police.

R. I would have called you all. I would have called you all and told you all about it that's probably why because but he doesn't, he doesn't think that I would have called you all. I think he would have said he would have never thought I would call you all. I mean if you all would have came and picked me up then after that I would have came back and when you all had me in the room. Of course I would have told you all like AHMED told me this and that and that. This is what happened.

SGT PORRAS

Q. Well just know that like I said for whatever reason if we prove that you are lying. If we can prove that you are you can get in big trouble for that all right.

R. I wasn't lying to you.

Q. Well you would be surprised how many people do. You know what I mean?

R. Yeah but I mean this is like dumb for like someone to tell the truth about everything that big and lie about just something that he heard from somebody else you know.

SGT KJOS

Q. I agree. It would be dumb not, it would be dumb to lie about just that one thing.

R. And then tell the truth about everything that is even bigger like all the stores that I went to, and all that stuff and then tell the lie about the littlest thing like that could not even bring trouble drama to me for real.

Q. Would 13.82 be with those guys that night?

R. I don't know because after they dropped me off I didn't call them, contact the more talk to them because MADHI I didn't have his number and I didn't want to call AHMED's older brother and say I mean 13.82 and say hey 13.82 let me get the number that I called you from and stuff like that so I just left it all alone. And I was kind of tired so I went to sleep.

Q. When they went to that that Franklin and Nicollet place did you know what they were going to do?

R. No. I didn't even know what they were, what they went in there for. He just said we're gonna grab some; he said I am gonna go grab some money. I am gonna go see if the guy is in there and stuff like that and then he got out of the car after he parked it and then AHMED said yo, I am coming with you and he got out of the car with him. And then they came back, parked the car around the other side that little that what you call it.

SGT PORRAS

Q. STARBUCKS?

R. No. This dude name BULLET. We call him BULLET HEAD. His name is ZACHARIA (sp?) He lives on 22nd and Blaisdell. You know that Blaisdell and 22nd on the left side that alley on Blaisdell and 22nd.

SGT KJOS

Q. And then did they get out again or did you just stop there?

R. Yeah they was talking for a little bit. They got out and walked for a little bit and then they talked and then they came back in the car and they and I was like yo, look at the time and stuff like that so drop me off at home I have to go to the house.

SGT PORRAS

Q. Did they ever move the car there? I mean when they left where were you sitting? I mean you were in the car but when they left.

R. They didn't even go that far. The car was parked back right next to the big dumpster.

SGT KJOS

Q. Did he park it so it was concealed or something or was it parked so it was hidden kind of or where was it?

R. No it was nothing to hide the car for.

SGT PORRAS

Q. Okay so you know what 22nd and Blaisdell.

R. Uh huh.

Q. Okay.

R. Oh actually I moved the car once yeah. I moved the car once. I moved it up towards them because they were talking over there I moved it up towards

them and then i moved it back reversed it. That's when they came back inside the car.

SGT KJOS

Q. Which time when you moved it, when it was moved the second time?

R. Yeah when I yeah after it was moved the second time by the dumpster they were talking right on this little place under this tree. I moved it up towards them and then I talked to them and then I reversed the car back and I parked back.

Q. What did you say to them?

R. I talked towards them yo, yo, yo and I moved it back. I was like what the heck. They were just standing outside in the cold just talking to each other like what can they be talking about that they can't talk about in the car you know and I really didn't want my cousin to have a bond like with MADHI that he doesn't have with me because I am like his family and.

SGT PORRAS

Q. Right. All right. Here is Nicollet, 22nd. Here is Blaisdell. Where is this building or where did you guys park your car?

R. It was like on the alley. This is Franklin right.

Q. Franklin is down here yeah. Drew Franklin.

R. It was like on the little alley, little alley at the place right here.

Q. So it was between Nicollet and Blaisdell.

R. Uh.

Q. On 22nd in the alley.

R. Yeah in that little alley.

Q. Okay. And how far in?

R. I don't know to the building. I can go show you like where the building is.

Q. All right well here, here is the alley. Okay. And like the STARBUCKS is here. The liquor store is here right?

R. Uh huh.

Q. And then where you are just here?

R. This is where, this is where they came through. This is where they were at at first you know the car.

Q. Where on Nicollet?

R. Yeah. And then they came around here. This is where -

Q. Show me.

R. They came through; they came through this little parking right around here.

Q. Yep and that's where the STARBUCKS is right?

R. No the STARBUCKS yeah its right there and then there is a little like open hole.

Q. Yep.

R. They came through there and then parked the car right there like -

SGT KJOS

Q. Oh they drove the car to there.

R. Yeah.

SGT PORRAS

Q. Yep.

Q. Okay.
R. And then they left. They went down here somewhere talking. I came over here went over there.
Q. In the car.
R. Yeah. I was driving the car even though I mean I wasn't supposed to. It was not even that much you know. I just came over here yo, yo, went back over there and then they came to the car.
Q. Which way did you guys go this way?
R. We went -
Q. Or did you back out to the parking lot.
R. I think we went this way through Franklin and then -
Q. Pulled off.
R. Down Franklin and then to my house.
Q. On 5th.

On 3-22-11 I found an envelope addressed to me from Amanda Schuman, Forensic Technician - TARGET Forensic Services. This envelope contained an Examination Report drafted by Jacob Steinhour, Forensic Analyst - TARGET Forensic Services. This envelope also had a CD with forensic analysis images and a CD from MPD Crime Lab.

Along with the documents was an Outbound Evidence Transfer Receipt. I signed and dated the receipt and faxed it back to Ms Schuman at TARGET. Please note, I mistakenly dated this receipt 3-21-11 instead of 3-22-11. The above items were brought to the MPD Property and Evidence Room and property inventoried into this case. PI number for this evidence is 2011-008759, lines 1-3.

During our interview with Ahmed-shir Ali, he told Sgt Porras and I after the shootings at the Seward Market, Mahdi drove them to a parking ramp near Mahdi's building (2515 S 9th St, Mpls, MN). Ahmed said they remained at the ramp about 10 minutes then Mahdi drove him home (3811 Minnehaha Av S, Mpls, MN).

On 3-15-11 at about 6:55 pm I drove from the parking ramp adjacent to 2515 S 9th St to 3811 Minnehaha Av S. It took me approximately 7 minutes and 40 seconds to travel that distance.

This same day at about 7:22 pm I drove from this same ramp to 3811 Minnehaha Av, this time the travel time was 6 minutes and 17 seconds. Please note, the second time I drove this distance, there was less traffic and fewer stops for red lights.

During our interview with Ahmed, he told us immediately after the triple shooting at the SEWARD MARKET, Mahdi drove the red Crown Vic from the market to a parking ramp by Mahdi's apartment building, 2515 S 9th St, Mpls, MN. Ahmed said they sat at the ramp for several minutes then Mahdi drove him home to 3811 Minnehaha Av S.

The only ramp by that apartment building is the 2 story ramp utilized by the residents of 2515 S 9th St.

We also know from an interview with Amir Farah, Mahdi picked up Amir after work on 1-6-10. On 1-6-10 Amir Farah was employed Fairview Riverside Hospital and he got off work at 7:30 pm. While still at the hospital, Amir had said he used the library and did not leave the building until about 8:15 pm.

Assistant Hennepin County Prosecutor Robert Streitzi requested Sgt Porras or I drive the route Ahmedshir Ali said he and Mahdi Ali took after the shooting at the SEWARD MARKET on 1-6-10. Mr. Streitzi asked that we then drive the route from 38th and Minnehaha Av S up to Fairview Riverside Hospital. It was asked that we note the travel time for each of the above described routes.

On 3-15-11 at about 6:50 pm I left the second level of the parking ramp just to the east of 2515 S 9th St and traveled SB on 27th Av S. Approximately 7 minutes and 40 seconds later I arrived at 3811 Minnehaha Av S.

I next left the Minnehaha Av address and traveled NB on Minnehaha Av until it turns into 26th Av S and arrived at Fairview Riverside Hospital in about 8 minutes.

Both the route from the S 9th Av address to the Minnehaha address and the route from the Minnehaha address to the hospital, I was behind congested traffic and had to stop for multiple red lights.

I drove this same route a second time beginning at 7:22 pm. Again leaving the 2nd level of the parking ramp utilized by the residents of 2515 S 9th St and this time drove south on 26th Av S (a through street). With less congested traffic, I arrived at 3811 Minnehaha Av in 6 minutes and 17 seconds. From the Minnehaha address, I drove to Fairview Riverside Hospital, arriving there in 7 minutes and 35 seconds.

During the course of this investigation, Sgt Porras and I learned Mahdi Ali, Ahmedshir Ali and Abdi Ali went to the Mpls Impound Lot during the afternoon hours of 1-6-10. A request was made to obtain the surveillance video from that day and when completed, Sgts Folkens and Karakostas retrieved the DVD for us. When they returned to the office, Sgts Folkens and Karakostas explained the time stamp on this surveillance footage is off by one hour. At the request of Assistant Hennepin County Prosecutor Bob Streitz, I contacted the Mpls Impound Lot to find out who exactly downloaded the surveillance video from 1-6-10 and how it was discovered the time stamp was off by one hour.

On 5-25-11 at about 1445 hours, I spoke with Brian Hymes, the evening supervisor at the Mpls Impound Lot. I asked Mr. Hymes if he remembers helping Sgt Porras and I with our investigation of a triple murder from January of 2010. Mr. Hymes said he did, further stating he recalls retrieving video of several Somali males inside the Impound Lot on the same day of those murders.

I explained to Mr. Hymes the time stamp on the video of that day was off by one hour. I asked Mr. Hymes if he was aware of that fact at the time he down loaded the video images and he said he was. Mr. Hymes said at the time the request for video was made, he noted the time on the surveillance equipment or DVR was recording at the wrong time. Mr. Hymes said he saw the time was off by one hour and suspected it had not been adjusted after day light savings went into effect. Mr. Hymes said when the investigators arrived to pick up the requested DVD, he told them the time stamp was off by one hour.

Please note, I have watched this video on several occasions and noted when Mahdi Ali, Ahmedshir Ali and Abdi Ali enter and leave the Impound Lot it is daylight outside. It is unknown what the exact time sunset was on 1-6-10 but do know during the month of January, by 5 pm the sun has nearly set. It would have been dark or near dark if the time stamp on the video was accurate.

Crime Lab Unit - Supplement Correction

CCN: 10-5090

The third to the last sentence in Supplement #104 incorrectly lists
"elimination prints".

Therefore, the sentence should have been written as follows: "The latent
lifts and copies of the fingerprint and palmprint cards will be retained in
the Crime Lab Major Case latent print files."

On 1-8-10 Sgt Porras and I requested members of the MPD VCAT Unit go to 2912 Clinton Av S, Mpls, MN and attempt to pick up Abdisalan Ali, dob 3-10-94. After their arrival, we were told two males inside this address had similar physical characteristics as Abdisalan Ali, dob 3-10-94. It was decided both males would be brought to our offices so we could attempt to positively identify both.

One male, later positively identified as Abdisalan Ali, dob 3-10-94 was placed in interview Room T. The second male was positively identified as Abdi's brother, Abdullahi Ahmed Ali, dob 1-1-91 was placed in interview Room O. Both interview rooms are equipped to audio and video record. Our interview with Abdisalan Ali was downloaded to a DVD and has been transcribed and entered into this case.

On 8-1-11, I asked Sgt Mark Koenig with the MPD Business Technology Unit to download the time Abdullahi Ali was in Interview Room O. On 8-2-11 Sgt Koenig gave me the CD and after review, I noted Sgt Porras and I did speak with Abdullahi for 2 to 3 minutes. During this interview, we asked Abdullahi if he could tell us where he was during that afternoon and evening hours of 1-6-10. Abdullahi stated he had been arrested on 1-5-10 and was in HCJ on 1-6-10.

Sgt Porras contacted Hennepin County Jail and verified Abdullahi Ahmed Ali, dob 1-1-91 was arrested by Eden Prairie PD on 1-5-10 and was not released from HCJ until 1-7-10.

I created a WAV file of our conversation with Abdullahi and it will be transcribed into this case.

At about 0930 hours, I property inventoried the CD created by Sgt Koenig.

On 9-1-10, Assistant Hennepin County Attorney Robert Streitz and I met with Abdisalan Ahmed Ali and a family member to review his statements given to Sgt Porras and me during the course of this investigation. Mr. Streitz and I also showed Abdi several still photographs taken from surveillance video obtained from the MPLS Impound Lot; Super America on 22nd St and Lyndale Av S, Dahabshiil located at 2025 Nicollet Av S and the Seward Market. The photos were from video obtained for the date January 6, 2010.

While viewing these pictures, Abdi identified himself, Ahmed Ali and Mahdi Ali in the Mpls Impound Lot. Abdi identified Ahmed Ali while inside the SA on Lyndale as well as the red Crown Vic photographed at the SA gas pumps as the car they were driving on 1-6-10. Abdi looked at photos from the Dahabshiil surveillance video and identified Ahmed Ali and Mahdi Ali. Abdi then reviewed photos from the Seward Market and identified Ahmed Ali and Mahdi Ali.

While with Abdi and his family member, Mr. Streitz and I asked Abdi if he would voluntarily provide a sample of his DNA. Both the family member and Abdi agreed Abdi would allow me to obtain a DNA sample from him via buccal swab.

I opened a Known Sample Collection Kit provided by the MNBCA and filled out the enclosed paperwork. I then placed rubber gloves on my hands and opened the sealed packaging of the first of two cotton swabs. I then asked Abdi to remove the cotton swab from the packaging and rub this swab around only one side of the inside of his mouth. When done, I had Abdi place that cotton swab in the original packaging and placed it in the provided yellow envelope.

I next opened the second sealed packaging and asked Abdi to remove the cotton swab and rub it around the inside of the other side of his mouth. Abdi then placed this swab in the original packaging and I placed the swab in the yellow envelope. The yellow envelope was sealed with red evidence tape and Abdi's full name and date of birth was noted on the front. This yellow envelope and the completed paperwork were sealed inside the original blue Known Sample Collection Kit envelope.

Please note, earlier this year, Sgt Porras and I met with Abdi at his school (V.O.A.) and asked him to voluntarily provide us with a sample of his DNA via a buccal swab. Abdi told us because he is a minor; he did not feel comfortable providing us with a DNA sample without a member of his family with him. Abdi said his family did not wish him to speak with the police unless one of them was with him.

The buccal swab from Abdisalan Ahmed Ali, dob 3-10-94 was property inventoried in the MPD Property and Evidence Room at about 1835 hours on 9-1-11.
