

UNITED STATES DISTRICT COURT
DISTRICT OF MINNESOTA
Case No. 25-mj-356 (JFD)

UNITED STATES OF AMERICA,

Plaintiff,

v.

ISABEL LOPEZ,

Defendant.

**FILED UNDER SEAL
PURSUANT TO ORDER**

MOTION TO SEAL

The United States of America, by its attorneys, Joseph H. Thompson, Acting United States Attorney for the District of Minnesota, and Rebecca E. Kline, Assistant United States Attorney, respectfully submits this motion to file the Complaint and accompanying Affidavit of Special Agent Monica Evans under seal.

The United States seeks to seal the Complaint and affidavit because the defendant, Isabel Lopez, is not yet in federal custody. Law enforcement officers investigating this case have expressed serious concern that if the Complaint and Affidavit are made public, and Isabel Lopez is alerted of her impending arrest on the federal warrant, there is a safety risk to Isabel Lopez and law enforcement taking her into federal custody.

Dated: June 9, 2025

Respectfully submitted,

JOSEPH H. THOMPSON
Acting United States Attorney
