Inmate Work Assignment: N/A

On October 18, 2024, you, Warden A. Newman, deleted all of my 99 contacts, deleted 24 phone numbers, and deleted 18 e-mail addresses including attorneys John F. Mizner, Jeremy Gordon, Brandon Sample, et alia, and also including (prison) law firms such as the National Lawyers Guild, Rights Behind Bars, Lewisburg Prison Project, Pennsylvania Institutional Law Project, etc. Then you denied me e-mail access forever in toto. Then you put me on this arbitrary preapproval of new contacts, so when I tried to add Midwest Books to Prisoners and Chris Rad (from the Prison Legal News advertisements) you still denied them both!

The spurious reasons you gave for deleting all my contacts are (1) the false allegation that I have a GoFundMe page (which I don't currently) and (2) that I have social-media pages which is my CONSTITUTIONAL right to have people update even while I'm in prison. The federal Bureau of Prisons ("fBOP") has NO authority over social-media sites, because quite simply, you're just a prison. You don't control the Internet. I have a First Amendment right to post about unfair and illegal prison conditions such as your recent complete book ban, magazine ban, and newspaper ban. I have a First Amendment right to post about your unfair, unconstitutional months-long lockdowns that deny me law-library access and deny me the right to make photocopies of my legal work.

And I've done NOTHING wrong at all! I have NOT been sanctioned for any incident report. I have NOT received any notice of your arbitrary deletion of my contacts and denial of my e-mail access forever.

You just want to silence me for fighting your book ban, magazine ban, newspaper, ban, months-long lockdowns, etc. You just want to censor me and try to stop me from posting my police-torture on social media. Of course, you cannot stop me, because I have a right to do all these LEGAL things.

On October 29, 2024, when you called me over to pat me down, you had stated you did not know who I was. That's a prevarication. Then when I asked you if I can just log into my e-mail account to print off old e-mails since my e-mail was denied forever, you were rude and told me to file a grievance. No problem. A prisoner has the right to exhaust his administrative remedies prior to filing a civil action in the United States District Court for the Western District of Pennsylvania, 17 S. Park Row, Room A-150, Erie, Pennsylvania, 16501. Have a resplendent day!
